2. Consideration of EDIC Cases which had been referred to the Working Group on Propellants and Fuel Additives will be deferred until the results of the Seminar are available to the Committee Members.

3. As soon as results of the Seminar are available the Committee will:

- a) Consider the Cases referred to it by EDIC, and
- b) Initiate consideration of other items indicated by the Seminar to be of strategic significance.

Note: The Propellants Seminar was held on 13-14 June 1956; an edited transcript was published on 30 April 1957. The Second Meeting of the EDIC Working Group on Propellants and Fuel Additives is scheduled for 3 June 1957.
